La Siesta Resort, Islamorada, FL

following tournament

For resort booking information see the Anglers Club website or call

La Siesta Resort at 305-664-2132.

About the Event

Join the Pace family for some friendly competition in this multi-species tournament. The format allows you to register as an individual or as a team on either a guided boat or your own boat.

Our format is for both inshore and offshore teams. Awards will be given in both divisions based on total points for caught fish. What will be your strategy...go after a few of the more elusive/ big point fish or try to catch lots of fish that are worth fewer points each.

Registration includes: Captains meeting, breakfast at the dock before fishing, goodie bag, fishing in the tournament, BBQ and awards after fishing.

There will also be a raffle during the BBQ!

In addition to joining the fun with the Pace family, you will be helping to raise money for our Spartans-4-Spartans program which helps students remain at Pace when their families encounter financial hardships. This will help Pace continue to provide excellence in Catholic education.

You will also be supporting the Pace High School Anglers Club which has grown to help students, parents, alumni and staff share their fishing interests and knowledge.

Team up with Pace friends and family to make a difference in the lives of our students!
