

To our fellow anglers

The Monsignor Edward Pace High School fishing club educates students on marine conservation, fishing techniques and the many resources available in South Florida. The club hosts several fishing trips and activities throughout the year that bring students, parents, alumni, faculty and the fishing community together.

One of our goals has been to expand on community involvement throughout South Florida. With support from alumni, professional fishing guides and sponsors we are working on that through projects, meetings and events. We also hope to increase our participation with the International Game Fish Association as well as the Bonefish and Tarpon Trust.

We are currently working on hosting our 8TH ANNUAL SPARTAN FISHING TOURNAMENT. The event including an awards banquet and raffle will take place on August 19th 2017 at the La Siesta Resort in Islamorada, FL. In addition to a great turnout of participants each year we have been fortunate to receive tremendous support from sponsors and fishing guides. Thanks to that support we have been able to raise money to help fund two things:

- 1-the anglers club at Monsignor Edward Pace High School which brings students, parents and professionals together to enjoy fishing and learn about our fisheries
- 2-the Spartans for Spartan fund which helps families cover education expenses during times of need (a family member becomes ill, loses a job etc).

I am writing you to ask for your help in making our event a successful one. Any participation, sponsorship, or donations for angler goodie bags, raffles etc will be greatly appreciated and tax deductible. We would like to build a relationship with your company and the community through our club and this event. SEE PAGE 2 FOR SPONSORSHIP LEVELS.

You can find more information about us and the tournament here:

<http://www.paceanglersclub.com>

We look forward to hearing from you in regards to this event. If you are interested in more information about our sponsorship opportunities please feel free to contact me via email or my cell phone.

Thank you
